The
Leader in Me[™]

great happens here

Dear Parents and Guardians:

Our school is using *The Leader in Me* program as an introduction to personal leadership. *The Leader in Me* is designed to help your children succeed both in and out of the classroom. All students have the capacity to lead in their own lives and affect those around them by making positive choices. *The Leader in Me* provides students with activities that will help them learn practical character and life skills that will lead to those positive choices. These activities will help students reflect on their lives, develop leadership skills, and set goals that will inspire them to succeed.

Through the use of the 7 Habits for Highly Effective People (Covey), students begin to realize that they have control over much of what happens in their lives and can be true leaders. Their choices can affect their day, their relationships, and their future. The 7 Habits will empower even the youngest students to stop and think about their choices and the different outcomes that may come with those choices. Based on timeless principles, the 7 Habits become the “hands-on” tools students can rely on while on their journey to becoming leaders—of themselves and of others. Leadership is the umbrella term to encompass the many character traits and basic life competencies that parents, business leaders, and educators are voicing as the desired skills necessary to thrive in the 21st century. Leadership is a concept we don’t normally consider when thinking of young children. However, young children are very capable of learning leadership skills and using them at home and at school. By developing well-rounded children who know their strengths, we help them to unleash their potential to lead their own lives and to influence others.

As a staff, we are changing the Student of the Month award to focus on the 7 Habits. Each month, we hope to include a habit as a homework assignment to be done as a family. The 7 Habits Student of the Month award has been scheduled as the following:

September: Be Proactive- “You’re in Charge”

October: Begin With the End in Mind- “Have a Plan”

November/December: Put First Things First- “Work First, Then Play”

January: Think Win-Win- “Everyone Can Win”

February/March: Seek First to Understand, Then to Be Understood- “Listen Before You Talk”

April: Synergize- “Together Is Better”

May: Sharpen the Saw- “Balance Feels Best”

The Leader in Me process is now being implemented in over 2000 schools worldwide. Schools are consistently reporting:

- Increases in students’ self-confidence, teamwork, initiative, creativity, leadership, problem solving, communication, diversity awareness, and self-directed learning.
- Improved school culture.
- Dramatic decreases in disciplinary issues.
- Increased teacher pride and engagement.
- Greater parent satisfaction and involvement.

“Leadership is communicating people’s worth and potential so clearly that they are inspired to see it in themselves.”

– Dr. Stephen R. Covey

Our Mission: Berryessa Union School District provides all students the skills to become lifelong learners and successful 21st century global citizens.

We are so excited for this 2015-16 school year! We are implementing *The Leader in Me*, a program that develops leaders in teachers, students, and parents. Toyon was one of two schools in the bay area to receive a scholarship from Panda Cares to implement this leadership program.

During the summer, several bond measure projects were completed at Toyon. One major improvement was that our large blacktop area, which includes the basketball court, was re-paved. This helps with school safety. Kindergarten has a brand new playground. New playground equipment was replaced in the upper grade playground and TK. The network was upgraded in every classroom. We also upgraded one of our computer labs with Chromebases.

We have new staff members that joined the Toyon family: Ms. Marilu Herrera (2nd), Mr. Kevin Peckham (2/3), Mr. Hanson Truong (5th), Ms. Lourdes Reyes (SDC), Ms. Julie Bell (RSP), Ms. Tanya Bethard (Speech), Ms. Terri Quan-Williamson (Librarian), Mr. Ian Hazdovac (Math/Science Tutor), Ms. Sarah Ornelas (Literacy Tutor), and Ms. Christine Reed (Para).

We know that Toyon can improve every year, so we need to hear from you. Please join me during our monthly coffee with the principal to share your ideas or concerns, and I encourage you to join PTA and School Site Council. If you have any questions or concerns, please do not hesitate to contact me via email or phone.

Sincerely,

Maria Smith
Principal

VOLUNTEERS or PARENTS WHO VISIT DURING LUNCH

In order to volunteer in the classroom or chaperone on field trips, you must have a current TB test on file in the Toyon office. If you visit your child during lunch, you must have a TB test on file. Due to state health guidelines, parents may not have lunch with their children in the cafeteria. You will need to wait outside until your child is released to play during lunch recess. You are welcome to sit at our blue picnic tables across from the cafeteria. We ask that you do not interfere with the noon duty supervisors’ responsibilities and to respect school rules and procedures for student safety. Have you turned in your TB form to the Toyon office? Please see Doreen Cook in the front office if you have any questions. TB tests are good for 4 years. THANK YOU!
